Creditors Hasten to Garnish Attorney Fallon for Balance Said to Remain in His Hands.

To-day was the opening day at Geo.
B. Clark & Co. is fine new store at 1057-1073 Broad street, and hundreds of callers inspected it. It is one of the best equipped furniture houses in the city. It has been arranged with Mr. Clark's well known business foresight, which has contributed so materially to the success he has experienced. The store which the company left at 30 Fairfield avenue had been occupied for the past thirteen years, and had become far too inadequate to meet the demands made on it by the growing trade. There is 37,000 square feet of floor space in the new store.

Here in the new location the business is ideally situated. Directly acress from the postoffice and on the car line it is really right in the heart of the store is finished in copper, as are the large letters of the sign which announce the name of the firm. The windows are letters of the sign which announce the name of the firm. The windows are letters of the sign which announce the name of the firm. The windows are larged with Mr. Clark's well known business foresight. When asked who was head of this government, the repolic of the post in the replication of the specific of the success he has experienced. The following were given their particles are following were given their particles. The following were given their particles. The following were given their particles are following to the Australa empire. He replied "Emperor Francis Joself." When asked who was head of this government, his answer was "Roosevelt." Another applicant was so frightened the troplication of the specific which was head of the specific which w To-day was the opening day at Geo. B. Clark & Co.'s fine new store at 1057-1073 Broad street, and hundreds of cal-

most admirably adapted for displaying the goods, there being 89 feet of window space across the front.

One of the many excellent features about the store is the lightness of it. During the day time the large amount of window space keeps every portion of the floors in view, while at night the illumination is positively brilliant. Tungsten lights of 100 watts are used and in great numbers. be in the attorney's hands. The at-

Tungaten lights of 100 watts are used and in great numbers.

On the ground floor are to be found an excelient line of brass beds, and here also is the dining room furniture, tables, bureaus and the like. All these are to be found on the left of the entrance. On the right are the ranges and a full line of kitchen utensils. At the back of the store are the freight and passenger elevators. At the front on the right are the cashier's desk and Mr. Clark's private office.

At the rear of the store directly in the center is a handsome staircase of quartered oak, which as it nears the second floor branches and steps go up to the store beautiful to the second floor branches and steps go up to the store beautiful to the second floor branches and steps go up to the second floor branches and the second each side. To-day from 2 until 5 p. m. Rocky Mountains and from 7 to 10 p. m. Harvey's orchestra will render a selected program. Palms and potted plants will be used to

Falms and potted plants will be used to decorate the store.

Coal from the Church
Where Salles was Employed.

Charles Vida was committed on a control of the store of the stor He Said Organist Call Stole

Charles Vida was committed on a body writ this morning, and taken to the jail to await the decision in the stiit of Anthony Gall against him for defamation of character. Gall claims damages of \$100. The writ calls for security of \$150. Justice Merritt issued the writ, in the absence of Justice F.

L. Wilder before whom the suit is returnable, April 3. Gall claims that Vida accused him faisely of stealing coal from a Polish church in this city, security of \$150. Justice Merritt issued Vida sticks to his first statement that he saw the organist stealing the coal

be changed so that the display value will be enhanced. There will be a vestibule, reception hall, parlor, dining room, kitchen and two sleeping rooms or one sleeping room and a liing room, kitchen and two sleeping rooms or one sleeping room and a library. It is a novel idea and should be helpful to those contemplating furnishing a house. The top floor will be used for storage purposes and a section of the third floor will be used as

tion of the third floor will be used as a repair department.

Owing to the general increase in the size of Mr. Clark's new quarters and in the business, the clerical force of the concern has also materially increased so that now G. B. Clark & Co. will be fully able to cope with the large number of visitors who are today taking advantage of the opening and who no doubt will pay another visit, as it will take a number of hours to fully inspect the establishment. The store to-day and for the rest of the week is in the hands of the florists, who with their palms and ferns have made a very pretty picture of the scene.

New Sidewalk To Be Laid. When the weather will permit a granolithic sidewalk is to be laid in front of the new store, the entrance having been tiled already. Shoppers of this city should pay this new store HIMSELF AT HOME a visit of inspection, for otherwise they will not realize what a furniture house there is to be found at 1057 Broad St. Dennis Burns appeared at police headquarters this morning with a beautifully decorated eye, which he said had been administered by "Bo"

### MECCA FOR HAT BUYERS

The W. E. Hailigan millinery estab-lishment at 989 Broad street, opposite City Hall, is today proving the Mecca occupying his accustomed place in the novsehold, "Bo" assaulted him with a for seekers of exclusive styles in mil-linery. Opening day drew a large number of discriminating purchasers. The Halligan millinery has long been a byword for exclusive designs in the latest fashion, the highest quality of BROAD DAYLIGHT The rooms of George B. Sheriden, 513
The usual good state of the firm is in crooks street, were entered with a evidence, and the establishment, with Brooks street, were entered with a skeleton key, while Mrs. Sheriden was out yesterday afternoon and a go d its attractive furnishings, competent salesladies, and artistic millinery will undoubtedly be a popular shop for the watch, two gold chains, sever other pieces of jewelry, and \$31 in money were stolen. The theft occurred be-tween 1 and 5 o'clock.
